### Crime updates

Catalytic converter thefts have been on the rise. Please try and park vehicles in a well-lit area and off the road if possible. People acting suspiciously please report.

Anti-social behaviour: over the past few weeks we have had numerous reports of ASB involving 2 motorbikes, riders with no helmets, mounting pavements and over playing fields. The riders are believed to be local and will be dealt with robustly when caught. The team will continue to patrol the area and identify the individuals. Please report any anti-social behaviour to 101 or online

### School visits

Over the last few weeks we have visited **Bartholomew school** to have lunch with the students and talk about any issues they have over a relaxed lunch. School lunches are amazing these days.

We have visited **Stanton Harcourt School** to talk to year's 1 & 2 about road safety

Visited **Cassington & Eynsham** pre-school to read the brilliant PC Ben story, a story about the day in the life of a police officer. The children love the story with lots of lovely questions after.

If your school club or organization would like a visit please contact the team

## Rural Crime Taskforce

Thames Valley Police has launched its Rural Crime Taskforce to make the Thames Valley a hostile place for those who commit rural crimes.

The Taskforce consists of a team of dedicated officers, as well as intelligence support, who will work tirelessly with our partners, drone units, and the Joint Operations Unit with Hampshire to tackle serious and organised rural crime.

## Think before you dial

When you do find yourself in need of contacting the police, do you know the best way to get in touch with us?

999 should only be used in emergency situations; when a life is in danger or a crime is happening right now. To speak to the police about anything else, you should call 101 or did you know you can contact us online.
