

**EYNESHAM PLAYING FIELD MANAGERS REPORT**  
**FOR THE ANNUAL GENERAL PARISH MEETING 24th APRIL 2018**

**Finance**

The Balance sheet for 2017 was approved at the Playing Field A.G.M. The income and expenditure will be uploaded to the PFM's Charity Commission page.

It was agreed that there would be 5% increase in hire charges for 2018

**Playing Fields**

There was 10 football teams using the fields during 2017, 2 Eynsham FC seniors, 2 Social Club Seniors, 2 Youth teams aged 11 & 12, and 2 boy's teams aged 9 & 10 playing on 2 mini-soccer pitches.

There continues to be a problem with dog fouling on the South Field. Team managers and parents are faced with having to clear up dog excrement from the pitches before games can be played and before training.

The income derived from pitch fees and events such as the Carnival and Circus are used to maintain both the North and South Fields. This allows for regular grass cutting during the year.

The toilet block on the North Field has been demolished. This was due to increased maintenance costs as a result of vandalism.

The Parish Council and Playing Field Managers are currently investigating the feasibility of replacing the Pavilion on the South Field. Plans will include additional changing facilities for both players and officials. The plans may also include a social area.

Circus Ginnett is not operating in 2017.

**Committee**

Chair – Sue Brown (nominated by Paris Council)

Secretary – Geoff Watson

Treasurer – John Ayres

Committee – Gary Bailey, Robbie Watson and vacancy
