

# WELCOME TO OUR FESTIVAL DISPLAY

## Green TEA and Eynsham's Green Energy Transformation

Autumn is the time for our annual festival and this year we planned a Covid safe Green TEA festival trail. BUT although we had to cancel our trail (twice... storms and lockdown) there is such a lot going on that we were determined to find a way to share all this with you.

Thanks to Pimms we can use these windows for the rest of lockdown to give you some positive news about how Eynsham is at the forefront of low carbon building and the energy transformation. We are challenging vested interests, creating a smarter way of using the grid and supporting community owned energy.

Green TEA has been finding local solutions to climate change for twelve years.. from planting to planning, from swap shops to solar, recycling to recovery, from apples to action plans.

.....and just when we feel defeated by greedy growth we find **the answer is Green...** and it's within our reach....read on....
