The Foundation's overall income was about the same as in the previous year (£5,694 in 2021). The majority of the Foundation's income comes from its holding with the Charities Official Investment Fund (COIF), and part from rent from the field leased to Eynsham Cricket Club (reviewed 5-yearly). Periodically any surpluses that may be available are invested in COIF to maintain their capital value.

15 individual grants were made (8 in 2021) which is nearly double last year's number, possibly the result of concerns about the cost of living for students and their families making it more difficult for parents/carers to provide additional financial support. Apart from those for college/university expenses, they included grants for educational trips for Primary School pupils. The Foundation continues to advertise for applications by placing advertisements periodically in local publications.

The trustees meet quarterly in May, September, November and February. The Charity maintains a sub-committee which is available at short notice to give consideration to urgent cases which may arise between meetings. Applications should be made to the Clerk by email or in writing. Grants are available for educational purposes to those under the age of 25 living in the Parish of Eynsham. The trustees are Andy Mosson (Chairman), Dr Max Peterson, Ann-Marie Roisin, Carl Rylett, Nick Relph, Angie Cox, Jane Osborne and the Vicar, Duncan Fraser.
