

GREAT BIG ENERGY SAVER

Worried about fuel bills and the energy crisis?
Come and find out about practical help and hear about a fairer
greener future for our local energy

Where? St Leonard's Church Hall, Thames Street, Eynham OX29 4HF

When? Thursday 29 September 4 - 9pm

Who? Anyone from the Eynham, Freeland, Hanborough and South
Leigh areas, and beyond

From 4pm to 9pm come along to find out about
advice on simple energy saving at home:

Funding ● Stalls & displays with information and advice ●
Products and give aways ● Cosy Homes Oxfordshire - home
retrofit service ● Thermal imaging ● First & Last Mile
community bus ● Eyncar Share car club

Also on offer are short inspirational films showing low-cost energy saving options in action.

**From 6pm Take part in an open conversation about an exciting
vision for our future energy system with Oxfordshire's amazing
energy innovators.**

Help to develop a fair and robust energy system that benefits everyone.
How to balance the grid demonstration with Pint Sized Science.
Refreshments provided.

Look out for the Zero Carbon Energy Action Plan coming later in the Autumn.
