

Date	Time	Where	What
Saturday 24 th September	9am to 12noon	Market Square, Eynsham	Green Week Stall Come and see how Eynsham's community organisations are addressing the Climate and Biodiversity Crisis; join their walks and talks; take part in workshops and surveys. Sign up to their ongoing work for the planet.
Saturday 24 th September	9am to 12noon	Market Square, Eynsham	Country Market Baking Around Britain Stalls and refreshments
Saturday 24 th September	9am- 11am <i>Booking required</i>	Meet Fishponds Car Park, Station Road, Eynsham	Bird ID Walk: Learn your Tweets and Hoots Join Nature Recovery Network'' Basic Bird Identification walk with experienced birder, Allen Stevens. The walk marks the start of bird surveying opportunities for NRN birding beginners. The walks will take place at the change of each season with one of Eynsham's birding experts. They will be at a relaxed pace with regular stops, so are suitable for all ages. The main aim is to help anyone who is interested in getting a bit more familiar with basic bird recognition, song/calls and the best places to spot them. Walks will start at 09.00am at the Fishponds Car Park and finish by 11.00. Anyone who can only do an hour to finish at the half-way stop. Please bring binoculars if you have them. We look forward to sharing some time with you in the Great Outdoors! No experience needed. Please register on NRN website . https://nrn.nature-recovery-network.org/events/35/
All week		Multiple events chosen by Fran	Help Fran write a play about nature Look out for playwright Fran and tell her about your experience of the natural world – to form the basis for a new play at the Old Fire Station next year. frangdrama@gmail.com

Date	Time	Where	What
Saturday 24 September	12noon to 4pm	Peace Oak field, behind Cobbett's Close, Newland Street, Eynsham	<p>Crafting for the Climate!</p> <p>Come and see our demonstration of human-powered handcrafts designed to be sustainable, useful and fun! Working with wood, wool and fabric we'll demonstrate ancient techniques of spinning, hand stitching, pole-lathe turning and carving to produce beautiful and functional objects from sustainable organic materials. Come and have a go and be inspired to craft for yourself.</p>
Saturday 24 September	2pm to 4pm <i>Booking required</i>	Long Mead Barn, Oxford Road, OX29 4DU – opposite the Talbot Pub.	<p>Bugs in Brookes Survey</p> <p>What do the Bugs in our Brooks tell us about our Water Quality? Following NRN's 2-year water survey of 10 sites around Eynsham, local expert Dr. Maarten van Hardenbroek will help us survey the ponds and streams for invertebrates and help us understand what they tell us about how clean our water is.</p> <p>Will we find, for example, the extremely rare crystal moss animal (<i>Iophopus crystallinus</i>) which was recorded in Eynsham's Chil Brook in the 1970s and only exists in a few other sites in the UK?</p> <p>No experience needed. Please register on NRN website. https://nrn.nature-recovery-network.org/events/36/</p>
Sunday 25 th September	2pm to 5pm <i>Booking required</i>	TBA	<p>NRN Wild Arts: Fungus Foray and Art Workshop</p> <p>Join Renee Watson (fungi fanatic) and Alice Walker (artist) to seek out our autumn fungi in and around Eynsham and then get creative with their magical forms in art.</p> <p>We would like to ask for a donation towards the costs of this workshop, if you can afford it but we'd be delighted to see you anyway.</p> <p>No experience needed. Please register on NRN website. https://nrn.nature-recovery-network.org/events/37/</p>
